The following is a list of companies and people that carry or have access to the hard to find clock parts that the major material houses don't carry.

For those looking for replacement parts on those modern movements, when some companies only offer complete movements, then look at the following for both used and new parts.

A Stepp Above Service Co (Jeremy Stepp)
2430 S, . Mill Avenue
Tempe, AZ 85282
480-656-7205
